

THIS IS NOT A RACE: To qualify for racing, horses must pace or trot the mile within a specified time, depending on age, gait and track conditions. They must also prove that they are manageable and controllable, particularly behind the starting gate.

The qualifying time for Pacers on grass tracks is 2.20.0 (2yr olds plus 4 seconds). The qualifying time for un-raced Trotters, 4yr old and over, is the track time for Pacers plus 6 seconds (previously raced Trotters must qualify in the same time as set for the Pacers). In the event of inclement weather causing soft/heavy going on the track, a 'bad weather allowance' may be added to the qualifying time, at the discretion of the Stewards.
